Electronic Recycle

The City of Woodstock is joining forces with Waste Management and *reworx* Recycling to bring you a day of electronic recycling! Citizens are encouraged to bring in their old computers, monitors, TV's, etc. All equipment will be broken down by *reworx* and processed so it can be re-used, thus lessening demands on local landfills and keeping toxins from leaking into our soil and waterways!

Drive through, we'll unload for you!

All disposals will be done free of charge, with the exception of crt TV's and crt monitors which require a fee of \$10 and projection TV's a \$25 fee. Loose hard drives shredded on site, \$5 fee.

Battery, Cell Phone, Hearing Aid, Eyeglass, Magazine, Newspaper & CFL Recycling

We will also recycle your household batteries, car batteries, compact fluorescent light bulbs, magazines and newspapers! Light bulbs must be in a clear plastic, sealed bag. We can no longer accept the long tubular style of fluorescent light bulbs. Home Depot stores will accept compact fluorescent light bulbs all year long! Cell phones will be collected for the *Cell Phones for Soldiers Program*. Each donated cell phone provides a soldier overseas with 60 minutes of prepaid calling service so they may phone their families back home. Visit www.cellphonesforsoldiers.com for more information and self-addressed mailing bags to do it yourself from home! We will also be collecting eyeglasses and hearing aids for the Woodstock Lions Club to recycle!

Document Destruction

Georgia Document Destruction will be on site to shred all of your confidential documents. There will be a limit of 5 boxes per car. For business shredding service, please call Georgia Document Destruction at 770-516-6500.
